

PULIFOAM

CLEANER SPRAY FOR POLYURETHANE FOAM

Characteristics

Base:	mixture of solvent and polymers
Aspect:	Transparent liquid
Propellant:	Colourless and odourless hydrocarbon (VOC Free)
It does not contain CFC	

Properties:

- Good cleaner
- It acts very quickly

Description

Pulifoam is a spray cleaner formulated to eliminate from any surfaces the traces of polyurethane foam not yet hardened.

It is a product that acts quickly melting and eliminating the foam and it is easy to use; thanks to its special valve it can be screwed even to the foam gun to clean its internal residues.

It has also an adapter to use the can without screwing it on the gun. It does not melt dry foam which can only be eliminated with a mechanical action (with a trowel or with sand-paper)

Instructions of use

To clean the gun of the foam: screw the Pulifoam to the gun, avoiding forcing the chase; pull the trigger so that the residues of the foam go out.

ATTENTION: Never clean the gun of the foam with water

It has to be used to clean surfaces from the foam residues. Insert the adapter on the valve, spray on the residues of foam, removing everything with absorbent paper.

ATTENTION: being the foam cleaner based on solvents, the surfaces could faded, so it is advisable to test previously the product to verify that the bottom will not be indented

Packaging

Spray Aerosol ml 500

Box 12 Aerosol

Product Code: 13310/05
